

Sumdog Contest Starts Today!

At Albemarle, we want all the children to be confident at maths and to become fluent at recalling essential mathematical facts.

Across the school year, the children have the opportunity to take part in various Sumdog contests. In the past Albemarle has flourished in these contests, with many classes and individual children being placed in the top ten for the borough.

The latest contest is for children in Years 2 to 6. The contest will run from Friday 16th June from 8am until 8pm on Thursday 22nd June.

We look forward to announcing their success next week.

If you would like to get more involved and help make the fair extra special, please come along to a PTA Brunch at 11am on Friday 23rd June in the ACE building. Please bring along a dish to share and help us to organise the tombola prizes and share last minute plans for the fair.

The Core Value next week is

Summer Term Issue No.8

16th June 2017

The Most Precious Gift

At Albemarle, the schools eight Core Values play an intrinsic part of everyday life. They unite the children, the staff and the school community with a common language, a sense of moral purpose and a sense of belonging.

This week, our thoughts are with the families and friends of Glenfell Tower. Our children have requested that we hold a cake and lolly sale to help raise funds.

Next week, our Year 5 Ambassadors will host the events on Thursday and Friday. If you would like to make a donation, please do so via the school office.

We hope that this will help the children to make sense of the world around them and them to realise that they can make a difference.
